Welcome to the All Aboard Booklet!

Hello!

This booklet is packed with fun things to do while you're travelling on the train today. Inside, you'll find games, puzzles, a quiz, and even a chance to design your own train! There are also activities that explore different careers on the railway —who knows, you might discover a job you'd like to do in the future!

We hope you enjoy your journey and have a great time using this booklet. Don't forget to fill in the feedback section near the back —and when you get home, scan the QR code to tell us even more about your trip.

Thank you!

This booklet was developed by Community Rail Lancashire and kindly funded by Northern.

Sustainable Travel

Why is travelling by train a great choice for the planet? Trains are one of the greenest ways to travel! They produce less carbon dioxide (CO₂) than cars and planes. Fewer cars on the road means less pollution and cleaner air.

Quick Quiz: True or False?

Circle the correct answer.

1. Trains cause more pollution than cars. TRUE / FALSE
2. Travelling by train can help fight climate change. TRUE / FALSE
3. Some trains are powered by electricity. TRUE / FALSE
4. Walking and cycling to the station makes your journey even greener. TRUE / FALSE
5. Planes are better for the planet than trains. TRUE / FALSE

Think about it...

How could you make your next journey even greener?
